

# 165W USB-C 4-PORT PD GAN CHARGER

## SETUP ON-THE-GO

Take your desktop charging to then next level with the Satechi 165W USB-C 4-Port PD GaN Charger, featuring Gallium Nitride (GaN) technology to power up to four devices simultaneously. Equipped with four USB-C PD ports to support multiple power configurations up to 165W, the 165W USB-C 4-Port PD GaN Charger can easily power your 2020 MacBook Pro M1 at full speed, or your iPad Pro setup on-the-go, so you can keep working while your devices are charging.
